

TOUCH OF GLASS

“Getting framed” might not be bad if it meant “having your picture surrounded” by one of **John Eaton**’s neat fused-glass frames. Eaton, from Gardner, makes frames in bright colors and several sizes and styles, including frames for **Jayhawk** and **Wildcat** fans.

■ Prices for frames range from \$36 to about \$57 at **Chelsea’s**, 15495 Quivira Road, Overland Park. **(913) 814-7278** and www.chelseasart.com.
