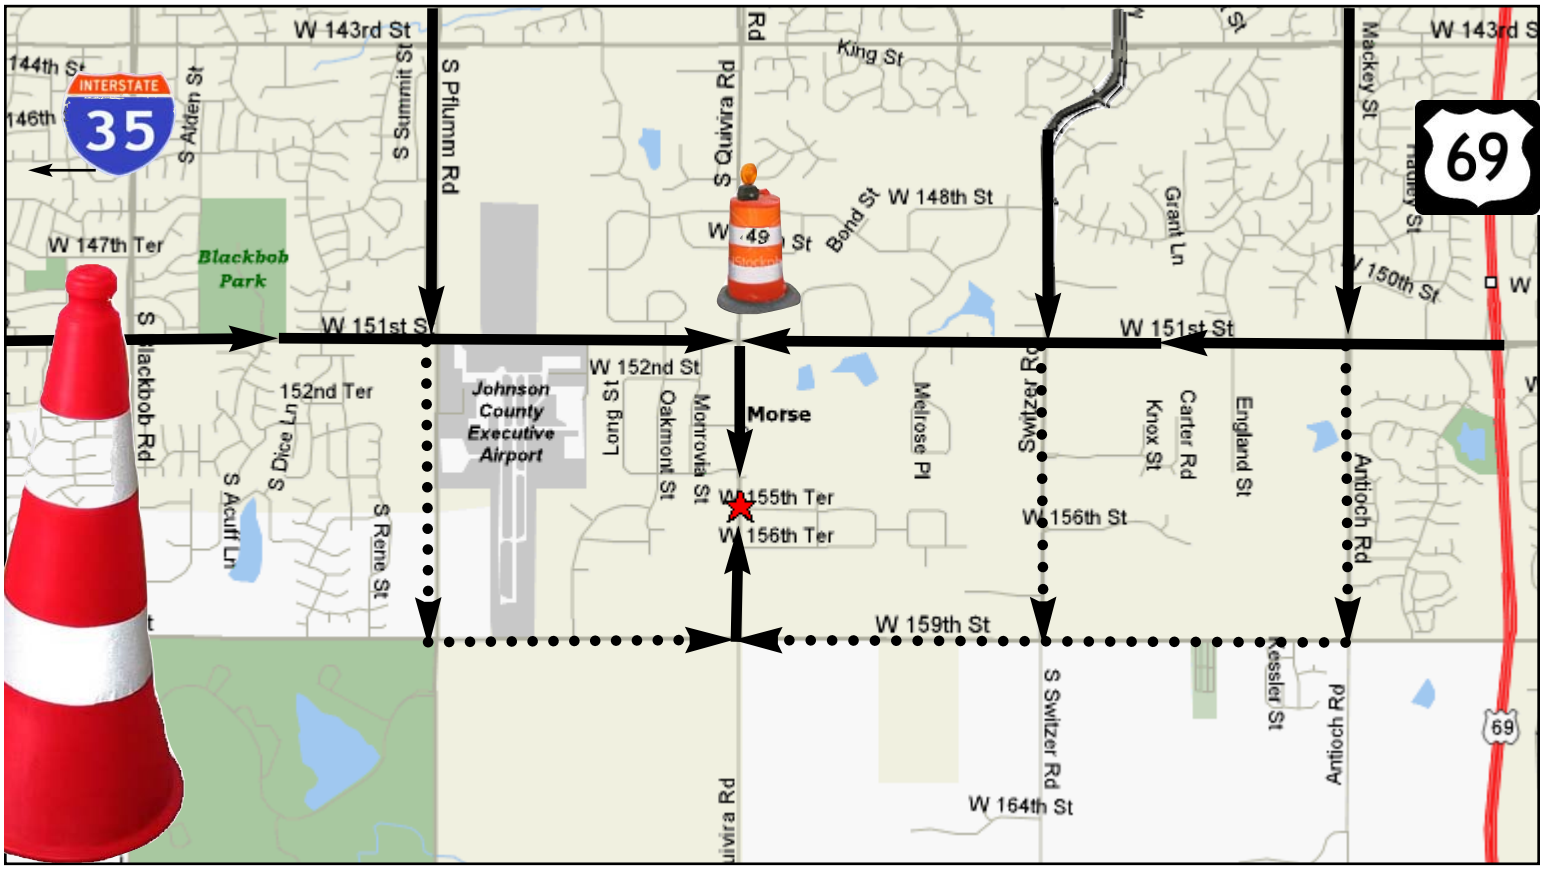
"Art washes away the dust from the soul" - Picasso

Morse is growing up!
And with growth comes growing pains.


Over the next few months, there will be road construction all around. We will do our best to keep you informed. Currently, Quivira is closed north of 151st, so you can still take the 151st exit from either I-35 or 69-hwy OR you can go south on Switzer, Antioch or Pflumm and cut back to Quivira. If you're not sure, just call first & we'll talk you in!
