Photo Crafts & Handtinting B&W Photographs Class

Instructor: Tammy Watson Class fee \$20

Learn how to take your favorite photograph and create one-of-a-kind keepsakes right on your own home computer and inkjet printer. You will complete a photo candle using special, adhesive backed paper from the Vintage Workshop (featured on HGTV). This unique paper can be used to create candles, tiles, journals, notecards, envelopes, tags and more. Reserve your spot and deliver your photograph to Chelsea's Art Studio or Email your image to tammy@chelseasart.com at least 1 week before the class start date. Your project will be ready and waiting for you at the class.

In this class you will also discover how easy and fun it is to hand color photographs using ZIG Photo Twin Markers. No artistic ability needed. If you can "color between the lines", you can hand tint your own black and white photographs. Please bring a 4x6 black and white photograph to the class.

Class size is limited to 6 participants

Thursday, May 4, 2006 from 6:30p - 8:00p
