OF NOTE

In these days of e-mail and instant messaging, **Cathy Ludwig** does what she can to entice people to sit down and write a note: She makes beautiful notecards. Ludwig's cards feature her photographs of local nature and architecture, primarily shot on the **Plaza** and at **Kauffman Memorial Garden**. Each notecard has a 3½-by-5-inch photo mounted on acid-free linen stock.

■ Cards cost \$3 each at **Chelsea's**, 15495 Quivira Road, Overland Park; and **Magnum Opus**, 135 N. Nettleton Ave., Bonner Springs. The stores have 5-by-7 matted prints, too.
